LUXURY HOME ENTERTAINING PRODUCTS

CRYSTAL CLEAR
GOURMET CUBES

DCE33 / RFE33 / SCV32

DCE33

DCE33 – Luxury Consumer Ice Machine

- Gourmet Ice Cubes created by water being continually circulated by a pump that gently sprays water into inverted ice cube molds. Only the water is frozen, with the minerals and impurities flushed down the drain. The result is crystal clear, odorless, taste-free gourmet ice cubes.
- 15" wide and can be easily built-in into any decor.
- Available in Contemporary White, Black or Stainless Steel finishes.
- Accepts Custom Wood Panels to match your decor on White and Black units only. Stainless Steel units do not accept custom panels.

RFE33

RFE33 – Companion Refrigerator

- Ideal companion featuring deep door shelves for quart-sized soda bottles or tall wine bottles, push button defrost, adjustable cold control, freezer compartment and removable shelves.
- 15" wide and can be easily built-in into any decor.
- Available in Contemporary White, Black or Stainless Steel finishes.
- Accepts Custom Wood Panels to match your decor on White and Black units only. Stainless Steel units do not accept custom panels.

SCV32

SCV32 – Wine Storage Unit

- Generous 32-bottle capacity holds a variety of wine types.
- Six interchangeable chrome racks with built-in stops to prevent bottles from slipping.
- Tinted, thermal-tempered glass door protects wines from harmful UV light; reversible hinges allow flexible installation.
- Always-on interior light provides dramatic illumination of bottles.
- Three temperature zones ensure the right climate control
- 15" wide and can be easily built-in into any decor.
- Available only in a Black cabinet with Stainless Steel frame. Does not accept Custom Wood Panels.

Warranty

- 1 year parts and labor on all components
- 5 years parts on compressor only
